We save the equipment that helps you save lives.

The last thing your hospital staff needs to worry about is hospital equipment that is malfunctioning. A cracked weld, broken wheel or missing latch can all render a critical piece of equipment unusable, tying up valuable time and resources. The CODE BLUE Equipment Rescue Team specializes in restoring surgical case carts and other valuable stainless steel mobile equipment.

The CODE BLUE Equipment Rescue Team can bring those needed assets back to life for a fraction of the cost of replacement. Our dedicated team will provide quality restoration with reliable, fast turnaround. Call Cygnus Medical's CODE BLUE Equipment Rescue Team today to find out how we can keep all your essential equipment running smoothly.
